

The Pacific Coast Rover Club needs you!

Like all volunteer organizations, the PCRC relies on help from many volunteers to keep things Roving. The PCRC has the following opportunities open to enthusiastic club members that want to make a difference:

- Newsletter editor and assistant newsletter editor – Collect pictures and stories from club members and assemble into a quarterly, semi-annual, or annual newsletter posted online.
- Social media influencers – Show the world how awesome and fun our club is by posting pictures from events on Facebook and Instagram. If you post regularly on Facebook or Instagram, this job is really easy and helps promote visibility to our club. Open to anyone who wants to post content.
- Rover Rendezvous Planning Committee – Rover Rendezvous will be April 8th, 2023 at the fairgrounds. Help secure donations for raffle prizes. Plan new games and challenges. Brainstorm and implement new ideas to make the event fun. Help run the event on April 8th.
- Portland ABFM/PCRC Planning Committee – 2023 is the year of the Land Rover! We need your ideas for a Land Rover display area and other ideas to showcase Land Rover at the Portland ABFM this year.

Please contact President@PCRC.net if you would like to volunteer.
